

# CERTIFICATE OF COMPLIANCE

**Certificate Number** 20170331-E76491  
**Report Reference** E76491-19950616  
**Issue Date** 2017-MARCH-31

**Issued to:** MERSEN FRANCE SB S A S  
15 RUE DE VAUCANSON  
69720 ST BONNET DE MURE FRANCE

**This is to certify that representative samples of** COMPONENT - SPECIAL-PURPOSE FUSES  
See addendum page for models

Have been investigated by UL in accordance with the Standard(s) indicated on this Certificate.

**Standard(s) for Safety:** UL 248-1 - Low Voltage Fuses – Part 1: General Requirements

**Additional Information:** See the UL Online Certifications Directory at [www.ul.com/database](http://www.ul.com/database) for additional information

Only those products bearing the UL Certification Mark should be considered as being covered by UL's Certification and Follow-Up Service.

The UL Recognized Component Mark generally consists of the manufacturer's identification and catalog number, model number or other product designation as specified under "Marking" for the particular Recognition as published in the appropriate UL Directory. As a supplementary means of identifying products that have been produced under UL's Component Recognition Program, UL's Recognized Component Mark: , may be used in conjunction with the required Recognized Marks. The Recognized Component Mark is required when specified in the UL Directory preceding the recognitions or under "Markings" for the individual recognitions.

Recognized components are incomplete in certain constructional features or restricted in performance capabilities and are intended for use as components of complete equipment submitted for investigation rather than for direct separate installation in the field. The final acceptance of the component is dependent upon its installation and use in complete equipment submitted to UL LLC.

Look for the UL Certification Mark on the product.

Bruce Mahrenholz, Director North American Certification Program

# CERTIFICATE OF COMPLIANCE

**Certificate Number** 20170331-E76491  
**Report Reference** E76491-19950616  
**Issue Date** 2017-MARCH-31

This is to certify that representative samples of the product as specified on this certificate were tested according to the current UL requirements.

## Models/product:

Component - Special Purpose Fuses, With or Without Indicators

Cat. Nos. 2.5, followed by UR, followed by one or two suffixes, followed by 17, followed by "I", "P" or "H", followed by ampere rating, with or without additional suffixes.

Cat. Nos. 6.9, followed by UR, followed by one or two suffixes, followed by 17, or 217, followed by "I", "P" or "H", followed by ampere rating, with or without additional suffixes.

Alternate catalog designation: BS17 or BS217 may be followed by US, UT, UZ, followed by 2 digits for voltage divided by 10, followed by V, followed by 2 or 3 digits for rating, with or without additional suffixes.

Alternate Catalog Designation : MF, followed by 50-180, followed by B-4

## MODEL SIMILARITIES

Model BS17US25V is identical to model 2.5 URGS..17 and MF(50-80)B-4

Model BS17US69V is identical to model 6.9 URS..17

Model BS17UZ25V is identical to model 2.5 URZ..17 and MF(100-180)B-4

Model BS17UT69V is identical to model 6.9 URT..17

Model BS217UT69V is identical to model 6.9 URT..217
